Antioch Beats Wilnot; Will Meet Undefeated Glenbrook on Friday

Score of Panther-Sequoia Tilt, 12-6; Frosh-Soph Score 13 to 6

Antioch High will open its conference football season Saturday night in a home game with Glenbrook after having administered another in a series of defeats to Wilnot, High last Friday.

The game tomorrow night starting at 8:30 may be the last the Sequoia will play with Glenbrook owing to a change in membership in the Northwest Conference, which will see Warren, Round Lake, and Lake Forest substituted for Glenbrook, Palatine, and Fenton.

Glenbrook went undefeated all last year—in fact, the visitors will be trying for their 20th victory tomorrow night. They defeated Zion last week 19 to 7. The Sequoia will be gunning for an upset, but with the possibility that Sid Parker and Co-captain Marty Bell may be unable to play on account of leg injuries, the task will be more difficult.

The Frosh-Soph teams of the two schools will play the opener starting at 6:30 p. m.

Antioch's varsity not only won from the Wilnot Panthers there 12 to 6 Friday night, but the Sequoia Frosh-Soph team beat the Wilnot underclassmen here Monday 13 to 6.

This was the sixth meeting of the two schools and the Panthers have yet to win a game. Luck failed them last year for with the best team in the history of the school and one that went ahead to win the conference championship they lost to the Sequoia.

The two teams shared the ball in the first quarter, both having possession three times, but failing to score.

Wilnot in the second quarter marched to her first and only touchdown. The Panthers took over the ball on their own 38-yard line.

Antioch High Plans Series of Meetings For Parents, Teachers

A series of community Parent-Teachers meetings have been planned by the Antioch High School. The plan calls for three programs during the school year with the purpose of encouraging friends and parents to see various facilities of the school plant, and to hear by discussion the functioning of the school program.

The first meeting scheduled for September 27 is in the form of an open house for parents, friends, and teachers. Adults will have the opportunity of going back to school by following a shortened program of classes.

Other community parent-teacher programs are planned for January 15 and April 25. The program in January will consist of a panel discussion on the topic "Points of View About Teenagers". The panel will be composed of parents, students and teachers. A portion of the evening will be devoted to a demonstration by the girls' and boys' physical education classes.

In April, the program will consist of a report by the principal and staff members. The Music Department will present a vocal and instrumental program.

Three Men Hurt in Intersection Collision Near Lake Shangrila

A collision of two automobiles at the intersection of Woodland Dr. and Deep Lake rd. at the entrance of Lake Shangrila Monday evening resulted in injuries to three men who were taken to Victory Memorial Hospital in Waukegan by the Antioch rescue squad.

James Reuben Kouch, 18, of Mundelein, driver of the northbound car, suffered hand lacerations, and his passenger, Charles Russell, 21, of Grayslake, suffered serious chest injuries and lacerations.

Harold B. Gilmore, 37, of Antioch, sustained head injuries. Kenosha County sheriff's police said that Kouch told them he was driving north on the gravel road and did not see Gilmore's car approaching the crossing until too late. The collision was so violent that it turned the Gilmore car upside down.

Gilmore told the police he didn't see Kouch's car until just before he was struck.

Both cars were a total loss.

Student Council Confab For N. W. Conference At Antioch on May 9

The spring convention of the Student Council Assn. of high schools in the Northwest conference will be held in Antioch May 9.

This was decided at a meeting of school principals at Elva-Vernon Township High School Tuesday.

The first convention of the organization was held here.

The fall meeting will be held at Fenton High school, Bensenville, on Oct. 4.

The Student Council dance will be held at Glenbrook on March 29. The annual music festival of the conference will be on April 29 at Grant High school.

At the school administrators monthly meeting this year teacher representatives from various departments of each school will be guests and participate in a round-table discussion in their teacher group.

Music directors will attend the meeting to be held in Antioch Oct. 16.

Joseph R. Posch, 20 Of Trevor, Wis., Dies; Funeral Service Today

Joseph R. Posch, 20 died at 12:30 p. m. Monday at his home in Trevor, Wis. Efforts of the Antioch Rescue squad to revive him were unsuccessful.

Born August 26, 1936 in Chicago, Joseph was the son of Joseph H. and Ann Posch with whom he lived. The family resided at Skokie 13 years, and moved to Trevor four years ago.

The deceased was a member of the Holy Name church at Wilnot. Surviving are the parents, two brothers, James and John, and a sister, JoAnn, all of the home. The maternal grandmother, Mrs. Ann Schillig of Morton Grove, also survives.

The funeral services were held at 10:30 a. m. DST today from the Strang Funeral home to the Holy Name church at Wilnot at 11 a. m. Interment was in the Holy Name cemetery.

The need of a health department in Lake County was stressed Monday evening by Jacob Rapolz, Waukegan, in his talk before the Antioch Parent Teacher association at the Antioch Grade school.

More than 100 parents and teachers attended the meeting which was the first of the new year.

Rapolz, who is aided in the campaign to establish a county health department in Lake County, showed a film entitled "Community Health in Action," showing how a board would operate.

He said that a health board comprises qualified personnel of doctors, dentists, and laymen. Purpose of the board, he said, is to uphold federal, state, and county health laws, and to help solve problems in regard to industrial growth.

"It has been estimated that in Lake county the tax levy would be approximately 22½ cents per \$1,000 assessed valuation of the taxable property," said Rapolz. "For every 90 cents the county pays the state would pay 30 cents."

The seven services of the health department are:

1. Keeps accurate records.
2. Control of communicable diseases.
3. Enforces sanitary conditions.
4. Provides parental clinics and child health programs.
5. Provides testing laboratories.
6. Provides health education.
7. Provides chronic disease clinics.

Rapolz replaced Robert Willett, who will speak at a later date on floral arrangements.

First prize for the largest number of parents attending for each room was won by Mr. Gilroy's eighth grade and second prize was won by Mrs. Robert Wilton's first grade.

A new policy instituted at the meeting was the assistance in greeting at the door that Mrs. John Horan, Jr. is receiving from two or three teachers at each meeting. Mrs. Hester Garland and Mrs. Esther Wilton assisted her Monday night.

Democrats to Observe Stengel Day Tuesday In Antioch, Fox Lake

Democrats in Antioch will observe next Tuesday as Stengel Day. On that day Richard Stengel, candidate for state senator in opposition to Senator Everett Dirksen, Republican, will head a caravan touring Lake County and arriving in Antioch at 11 a. m.

From a truck stage in front of Reeves Drug store, Stengel and Michael Howitt, candidate for state treasurer, will address an audience and greet voters.

Also in the caravan will be candidates for Lake county offices who will campaign for their posts.

From Antioch the caravan will move to Fox Lake and Libertyville, and will end with a dinner meeting at 6:30 p. m. in Zion.

This will be one of the few times Democratic state candidates will invade Antioch township during the campaign.

There was a time when there were hardly enough Democrats in Antioch to fill election posts, but with the large number of people moving out from Chicago where it behooved them to vote Democratic, it is considered advantageous by the county chairman to place Antioch on the tour.

Antioch High Readies For Homecoming Event

Antioch High School has started preparation for the Homecoming October 6.

The celebration will start with a parade at 7 p. m. Friday, Oct. 5, which will be followed by the traditional bonfire, and pep session.

The game between Grant High School of Ingleside, and the Sequoia at 8 p. m. will be followed by a dance from 10 p. m. until 12 p. m. At 11 p. m. the Homecoming queen will be crowned.

C. of C. Adds Gifts To Carol Lane Talk At A.T.H.S. Monday

A permanent tourist who travels 60,000 miles yearly for the Shell Oil Co.—Miss Carol Lane—who will give a public illustrated talk at the high school at 7:30 p. m. next Monday, will share her knowledge with her listeners without cost. A large crowd is expected to hear her.

The Chamber of Commerce which is sponsoring the free program, will make the event a little more attractive by the gift of \$50 merchandise certificate from Jack's Town and Country Shop, a colored telephone from the Illinois Bell Telephone Co. and luggage obtained from Gibbs and Jensen.

Tickets for these prizes may be obtained without charge from any store that is a member of the Chamber of Commerce.

Miss Lane will pass along to her audience many of her travel-tested tips among which are how to pack a car, how best to travel with children, how to pre-plan and budget the motoring vacation, how to make the Carol Lane "tote bag", a carry-all for week-end trips, and how to plan a travel wardrobe.

Miss Lane writes a weekly newspaper column, "Tips on Touring," and has written a travel guide book, "Touring Can Be Child's Play."

Miss Lane is scheduled to speak on Radio station WNMP-FM Evanston between 10 and 11 a. m. Monday and on the Jack Brickhouse and Eddy Howard program over WGN from 5 p. m. the following Wednesday.

Her Wednesday T-V program over Station WBBM is entitled "Shopping With Miss Lee."

School Treasurer Asks Increase in Her Salary

When Mrs. Helen Nelson asked Antioch township schools to increase her salary which is now \$1500 the matter was tabled last week by the High School Board awaiting a ruling of legality of procedure.

Louis Ancel, Board attorney informed Principal A. L. Dittman that while law requires payment of school treasurer's salary by the schools in proportion to the money handled for each school district, a reasonable minimum salary per district may be set.

A second question was whether a seven-man board can deal directly with the school treasurer and then ask another seven-man board to serve as a clearing agency to handle the payment of the salary for both districts.

Ancel said that where the same treasurer is used by both districts the salary may be handled through one of the school districts by agreement.

Mrs. Nelson maintained that increased business of the growing schools warranted an increase in pay.

This ruling opens the way for the high school and grade school to deal with Mrs. Nelson in the proposed increase.

Mrs. Bertha Stenzel Of Lake Villa Buried

Mrs. Bertha Stenzel, a former resident of 3311 N. Bell Ave., Chicago, who with her husband lately had resided at the German-Hungarian Home in Lake Villa, died last Friday at St. Therese hospital in Waukegan.

The funeral service was held Monday at the Strang Funeral home with the Rev. Edmond Hood of St. Ignatius' Episcopal church officiating. Burial was in Angola cemetery, Lake Villa.

The husband, Ferdinand (Fritz) Stenzel survives.

Channel Lake School Enumeration Started Completion By Oct. 1

If Total Is More Than 1000, Seven-Man School Board Will Be Necessary

Three enumerators are at work taking the census of the Channel Lake School district in effort to ascertain whether the district has a population of 1,000 which would warrant a seven-man board instead of the present three-member board.

Appointed by County School Supt. W. C. Petty were Mrs. Lucille Kuechenmeister, Mrs. Margaret Adler, and Mrs. Helen Jarvis, who have until October 1 to make the count, but indications are that it will be completed before then.

On the basis of the count at present the total should be well over the 1,000 mark, an opinion that is shared by Elmer E. Eberman, clerk. A census a year ago showed a population of 980.

Mrs. Kuechenmeister is counting the population east of Lake ave. north of Rte. 173 and west of the channel connecting Channel Lake and Lake Marie. Mrs. Adler will cover the territory south of Rte. 173 and that small portion north of Rte. 173, south of the shore line of Channel Lake and east of the channel connecting Channel Lake and Lake Marie. Mrs. Jarvis will cover the entire area west of Lake ave., and north of Rte. 173.

Supt. Petty appointed the three enumerators on basis of a petition filed last June. The petitioners asked that the census be delayed until after the departure of the area's summer residents.

Abigail S. Hollenbeck, 80, Dies After Illness

Mrs. Abigail S. Hollenbeck, 80, of Millburn, died Thursday, Sept. 13 at 12:30 p. m. at her home, after a lingering illness. She was born June 6, 1876 at Kabrie, Ill. At the age of three years she moved to Antioch township with her parents, Willard and Hannah Ames, and had made her home in Millburn area for the past 77 years. She was a member of Millburn Congregational church, Millburn chapter Order of Eastern Star No. 570 and of Antioch Camp Royal Neighbors of America. She became the bride of Oney L. Hollenbeck Sept. 23, 1903 at the home of her parents at Hickory Corners.

Survivors are her husband Oney L., two sons, Frazier H. Hollenbeck of Baltimore, Md., and Harmon of Phoenix, Ariz., a daughter, Mrs. Shirley Murphy, Millburn, a sister, Mrs. Tom Edwards, Newport township, a brother, Benjamin W. Ames, Decatur, Ill., eight grandchildren and 6 great-grandchildren.

Funeral services were held at 1:30 Monday at the Strang Funeral home, with the Rev. L. H. Messersmith officiating. Interment was in Hickory Union cemetery.

Elsie Josephine Vrba, 46, Dies of Heart Attack

Mrs. Elsie Josephine Vrba, 46, 6005 Washington Ave., Downers Grove, passed away Saturday, Sept. 15 at Garfield Park Community hospital of a heart attack.

Mrs. Vrba was the daughter of William and Frances Knourek of Antioch and Chicago. She was a member of River Forest chapter Order of Eastern Star.

Besides her parents Mrs. Vrba is survived by her husband Glenn and a brother, William V. Knourek. Funeral services were held Tuesday, Sept. 18 at 1:30 o'clock at the chapel at 5128 West 25th st., Cicero. The Rev. Harris of Galesburg officiated at the service. Interment was in Woodlawn Memorial Park.

Telephone Business in Area Outgrowing Antioch Building

Channel Lake, Grass Lake To Get 1-4 Party Line Service Soon

Urban telephone service for the Antioch rural area is a probability of the near future, as the Illinois Bell Telephone Co. began improvements in this village.

The telephone company has started the project by first placing cables underground in the business part of the village and at wide highway intersections.

Conduits have been laid on Main st. from Lake st. to a block north of Depot st. and on Lake st. and the same type of work is extending west on Lake st. to Rte. 173 and south on Rte. 59.

Besides placing cables underground in Antioch, the telephone company is preparing to install additional cables south on Rte. 59 and west on Grass Lake rd.; west on Rte. 173 to Channel lake, and east on Rte. 173 to Rte. 41.

Will Provide Urban Service

"These new cables will be the means of supply urban service to these outlying areas," said Fred Hohm, district engineer. "It will mean that the present eight-party lines will be reduced to four-party with the customer's option of from one to four-party service."

Growth of business in the Antioch area is said to warrant the

Mrs. Charles Bennecke Lake Villa, Dies After Five Week Sickness

Mrs. Theresa Bennecke, 69, Oak Lane Dr. Lake Villa, died at 5:30 a. m. Tuesday at Victory Memorial hospital, Waukegan after an illness of five and one-half weeks.

Mrs. Bennecke, nee. Barsema, was born June 26, 1887 in Chicago and lives at Maywood and River Forest before coming to Lake Villa 20 years ago.

She is survived by the husband, Charles Bennecke, two daughters, Mrs. Charlotte Weber, Lake Villa, and Verna Paulsen, Gurnee; five sons, Herbert, San Bernardino, Calif.; Charles Jr. of Miami, Fla.; Henry and David of Lake Villa; and Clarence of Ashland, Wis.

Two brothers, Neil Barsema of Round Lake, and Clarence Barsema of Forest Park, and 12 grandchildren survive.

The funeral service was held at 3 p. m. today at the Strang chapel in Antioch with the Rev. Gerald Robinson of Lake Villa Community Methodist church officiating. Interment was in Millburn cemetery.

American Legion Dist. Meeting Here Friday

The Tenth District organization of the American Legion will hold its monthly meeting tomorrow (Friday) evening at the hall of the Antioch post.

It will be the first meeting under the direction of the new district commander, Gordon Thomas, and an attendance of 125 delegates from the 26 posts in Lake county is expected.

The Antioch post will be host, and Cmdr. W. V. Lahti, who has called his post in session tonight in preparation for tomorrow night's event, will conduct his first meeting as commander.

Sub-Committees on Unit School System Report

Officers were not available for a report on the meeting of sub-committees of the Antioch Township Unit School program, but persons present said that reports of the boundaries and population groups were presented.

Some members of the sub-committees are planning to visit areas where the unit system is in use to gather information on how unit system was obtained, problems solved, and the system put into effect. They will report at the next meeting.

The meeting Tuesday evening was held at the Antioch Grade school.

Economic Highlights

"In his address at the conference of American presidents held in Panama . . . President Eisenhower put his finger on the basic problem that confronts out neighbor nations to the south," says columnist Barnet Nover. "That problem is how most effectively and speedily to develop the economic resources of Latin America in a manner capable of improving the lot of its people."

U. S. News and World Report, in an article on the significance of Mr. Eisenhower's trip to Panama, writes: "Latin America is entering a period of tremendous growth in which U. S. trade and capital are playing major roles. In the years just ahead, Latin America is expected to develop economically much faster than Asia or Africa."

This magazine also says there is a feeling in Latin America that the U. S. government, due to its preoccupation with Europe and Asia, has neglected this rich sector of the world, and that "Mr. Eisenhower came to Panama in an effort to erase this feeling of neglect."

In any event, changes which can accurately be described as revolutionary are now under way or in prospect south of the American border. Latin America is enormously rich in natural resources of a great many kinds. For the most part, these are pretty well untapped. But that will not be the case much longer.

U. S. News sums up what is going on. In 20 years, trade between this country and Latin America has increased 500 per cent, to \$7 billion a year. Industrialization of the Latin American countries is growing very rapidly—in four years production has increased 20 per cent. This is being accomplished to a large extent with U. S. private investments.

These private investments, the magazine says, are responsible for about 10 per cent of all production in those countries. The invested sums are impressive by any standard—almost \$2 billion in oil; \$1.3

billion in manufacturing; \$1.1 billion in utilities; \$1 billion in mining and smelting, and so on.

That flow of money southward is increasing—as is the flow from agencies such as the U. S. Export-Import Bank and the World Bank. In Mexico, many millions are now going into stores, factories, railroads, power plants. Cuba is in the midst of an oil boom. A huge steel mill is being built in Argentina. Guatemala's timber reserves are being developed. A \$200 million copper development is in the works in Peru, along with stepped-up oil industries.

Tourist business is destined to loom much larger in the future. The great Inter-American Highway is now in high gear. By 1959, it is expected, U. S. tourists will be able to drive as far as the Canal Zone.

At Panama, President Eisenhower proposed the establishment of a committee which would deal with matters and problems affecting the common interests of all the countries of this hemisphere. The ground-work certainly exists for building hemispheric solidarity and understanding to an extent which has no past precedent.

Oil Products and Modern Living

What do we, as family consumers, use oil for? The answer is obvious—we use it, in one or another of its forms, to drive our cars, heat our homes, and lubricate machinery.

But that is only the beginning. For the American home is literally stuffed with products derived from oil—and they run an amazingly wide gamut.

For instance, oil plays a major role in house building and maintenance—in roofing, paints, insulation, polishes, cleaners, and other materials.

Many furnishings also come from oil. The list includes foam rubber cushions, fabrics and draperies, mattresses and blankets—and even carpeting.

Kitchen and laundry, too, owe much to the oil wells. Washing machines, detergents, dishes, counters and table tops, ice cube trays—these and a thousand and one other things, large and small, are made in whole or part from oil by-products.

Nor is the nursery forgotten. Oil contributes to such items as toys, synthetic rubber sheeting, and plastic bottles.

Out in the garage, of course, oil is really dominant. Gasoline, seat coverings, tires, glass cleaners, asphalt drives, polishes—oil is in them all.

Finally, oil plays a major role in the green-thumb department—the garden. Here the list includes weed killers, plant foods, hoses, and so on.

Add it all up—and it comes out to the fact that oil products and modern living are just about synonymous terms!

Matrimonial State Enjoying Greater Popularity Today

NEW YORK—One of the most popular states in the Union these days is the State of Matrimony—with more people getting married, and getting married at an earlier age in life. Currently about half the men who eventually marry do so before age 23; for women the median age at first marriage is about 20 years.

The total number of married people in the country's population has climbed to a record high of 81 1/2 million, which compares with 75 million in 1950, and 60 1/4 million in 1940.

At present almost 70 per cent of the population at ages 15 and over is married, whereas for the decades prior to World War II the proportion was at most little more than 60 per cent, according to reports based largely on Bureau of Census data. The increase in the married proportion of the population has been considerably more since 1940 than in the preceding half century.

Among men at ages 20-24 years the proportion married has almost doubled between 1940 and 1955—increasing from 27 per cent to 51 per cent.

The recent growth of our married population, it is pointed out, has resulted mainly from the record high number of marriages during and following World War II, and particularly from a marked rise in the marriage rate at the younger ages.

New Source for Paper Industry

WASHINGTON—The fibrous residue of sugar cane that remains after crushing the stalks for juice—known as "bagasse"—can help relieve this country's shortage of pulpwood for papermaking, says the U.S. Department of Agriculture. A paper mill in Louisiana is now producing 20,000 to 25,000 tons of newsprint annually from whole bagasse.

Use of this sugar cane residue as a source of pulp for other papers is possible through a USDA developed process. It economically separates bagasse fibers from pith, giving greater strength to the fiber for such use as fine bleached papers, stationery, and packaging materials. This "mechanochemical" process also makes possible greater yields of high-quality bagasse pulps at lower cost.

As far as physical properties are concerned, bagasse paper pulps are stronger in all but tearing resistance than softwood pulps produced by the acid sulfite process. Bagasse pulps are particularly suitable, Department researchers say, for blending with wood pulps to make a wide variety of paper products.

'Florida Tennis' New Game for Over Fifty

CHICAGO—People over 50 no longer have to sit on the sidelines and watch the youngsters play tennis. Now they can get out on the court with their own "take-it-easy" brand of tennis.

The new variation, developed at the University of Florida, and called "Florida tennis," makes it possible for lovers of the sport to keep on with it long after aging hearts and limbs would have relegated them to a spectator under old rules.

Only two modifications of the game are needed to slow down the pace. The court is marked off half as wide as the usual singles court and there is a rule that the ball must always bounce once before being returned.

Tests run on older people playing a regular game and a "take-it-easy" game showed that the modified game raised the pulse rate only a few points, while the regular game raised it 20 to 30 points.

Big-Billed Toucan Is Expert Fencer

WASHINGTON—Birds that hold fencing tournaments are the big-billed toucans of Barro Colorado Island, Panama Canal Zone.

They fence with their formidable beaks but seem careful not to hurt one another. One scientist who studied Barro Colorado's bird life described the birds as follows:

"I saw fourteen toucans scattered about in a big leafless tree in the center of the jungle. They appeared to be fencing. They stood in one spot and fenced with their bills for a half minute or so, rested, and were at it again. Presently they flew off into the forest and then I noticed two others that had now begun to fence. Then one of these flew away and the remaining one picked a new opponent and fell to fencing again."

Army Supplies

WASHINGTON—The United States Army has supplies and equipment worth some 25 billion dollars in the hands of troops and in storage depots. More than a billion dollars' worth of material becomes obsolete every year.

There's Big Dividends In Fertilizer

Did you know that fertilizer applications aren't always just a one-year proposition? Fertilizer applied one year often shows up in growth dividends the following year. It's called residual or carryover fertilization.

The amount of fertilizer which carries over from one year to the next depends on several things—the kind of soil you're working, the amount of soil moisture, varieties and yields of crops. Of course, carryover depends, too, on how much fertilizer you apply.

Generally speaking, the greater the silt and clay content of the soil, the greater will be the chances for carryover benefits of plant nutrients. Sandy soils carry over less plant foods than fine textured soils.

The drier the growing season, the more following crops will benefit from fertilizer residues. Nutrient carryover may help pay the previous year's losses from bad cropping weather.

Residual effects of nitrogen on silt and clay soils can be as high as 25 percent. Phosphates may carry

over up to 40 percent, and potash carryover may reach a third of the plant foods applied the previous year. Of course, carryover will differ greatly from area to area, crop to crop, and under different growing conditions.

Ask your extension specialists for more specific information on the soils you farm. Know-how is their business. Ask them for sound recommendations on how to build soil fertility, how to get highest yields per acre.

There's no substitute for a reliable soil test as a means to get your soils in the best working conditions says the Agricultural Service Division of Union Bag & Paper Corporation, makers of multiwall bags for fertilizer. Before you can improve a soil, you first have to know all about it.

On Sept. 12 fourteen women attended an outing at St. Benedict's Seminary at Benet Lake, Wis. It being a beautiful day, a delicious luncheon was served outdoors. The panoramas of the Old and New Testaments were something to see and the monk's lecture was so precise. After touring the grounds the ladies all enjoyed seeing the bake shop where they grind their own wheat and make their famous honey wheat bread.

On Monday, Sept. 10, Mr. and Mrs. Ben Feldman entertained Ben's brother, Louis Feldman, from Englewood, Calif., his sister, Laurie and sister-in-law, Ruth, of Chicago, at Barney's Steak House in Chicago and on Sunday they were dinner guests at his home at Deep Lake. His brother is spending three weeks here with his brothers and sisters.

On Wednesday, Sept. 12, several ladies of the Republican club met at the home of Mrs. Lillian Hooper. They are planning a way to get people out to register. All those not registered better do so immediately. This is a very important election so please be sure you are registered. Those present at the meeting were Mrs. Bessie Boyer, Mrs. E. J. Murray, Mrs. J. M. Perry, Mrs. Colette McIntyre, Mrs. Edna Stevens, Mrs. Florence Johnson and Mrs. Millie Luehr. After the meeting refreshments were served.

Mrs. Millie Luehr visited Mrs. Jessie Schultz who is feeling a little better.

Mrs. Elsa Roeder Long from West Palm Beach, Fla., was a week-end guest of Jennie Haake.

On Monday of this week Mr. and Mrs. Harry Voss entertained Leona Maley and Ann Christiansen who left Tuesday morning on a trip to Vero Beach Fla. Mr. and Mrs. Frank Luehr were on hand to say good-bye and Mrs. Edna Stevens gave them a going away breakfast and Millie Luehr presented them with a gift for Ann Christiansen's new home in Vero Beach. This will be her permanent home. Monday afternoon Pat Stark of North Chicago and Rosette Vaicy of Waukegan said good-bye.

Friday, Sept. 21, the Ladies' Auxiliary will meet at the home of Norma Larson. The new officers will be elected.

Mrs. Lois Olsen and Mrs. Norma Larson are hostesses for the evening.

Lamp Lights Columbus' Tomb

Ciudad Trujillo, Dominican Republic—This beautifully molded silver lamp, embedded with precious stones, gives perpetual light before the tomb of Christopher Columbus in the Cathedral of Santo Domingo in this city. The lamp, a gift of the city of Genoa, Italy, the great Discoverer's birthplace, is in the shape of a crescent moon and reminds one of the lamp used by Aladdin. Ten panels surmount the lamp depicting other explorers, who with Columbus, brought European civilization to America. The white marble tomb itself visible behind the lamp at the main entrance to the oldest cathedral in America shelters the bronze casket which is opened to reveal Columbus' remains on October 12 each year in this lush semi-tropical tourist haven.

Gail Pedersen Becomes Bride Of James Fields

Miss Gail Pedersen became the bride of James Fields in ceremonies at 8 p. m., September 8 at St. Ignatius' Episcopal church, with the Rev. Edmond Hood officiating.

The bride is the daughter of Mr. and Mrs. Irvin Pedersen of Lake Villa and her bridegroom is the son of Mrs. J. B. Fields of Antioch.

The bride who was given in marriage by her father, chose a floor length gown of white nylon tulle and satin, fashioned with a fitted bodice of chantilly lace, and a scoop neck outlined in a scalloped design, and long tapered sleeves ending in a point at the wrists. The front of the bouffant skirt was trimmed with panels of chantilly lace from the waist to the floor, and the back of the skirt was made of tiers of nylon tulle ruffles edged with lace. A small cap of matching lace embroidered with white pearls, held her illusion veil in place and she carried a bouquet of white orchids, stephanotis and lilies of the valley.

The bride selected as her attendants, Miss Donna Martin as maid of honor and the Misses Joyce Carlson and Penny Witt as bridesmaids, Loretta Pedersen, sister of the bride served as junior bridesmaid. They wore ballerina length gowns of pale blue nylon sheer organza over tulle and taffeta. The simple sleeveless bodice made with a large shirred collar trimmed with ribbon ending in streamers at the back, the bouffant skirts were full in front, creating an apron effect. Their small hats of blue velvet were trimmed with matching veils. They carried colonial bouquets of ivory roses and baby orchids.

Jack Fields was his brother's best man and the ushers were Walter Messing and Albert Kumpfer.

For her daughter's wedding Mrs. Pedersen chose a turquoise gown with matching hat and black accessories, her flowers were white orchids. Mrs. Fields, mother of the bridegroom wore a charcoal grey and white print gown, a white hat and black accessories. Her flowers were orchids.

A reception was held following the ceremony at Giovanni's Restaurant at Petite Lake.

After a wedding trip to Florida the young Mr. and Mrs. Fields will make their home at Lake Marie.

Mrs. James Fields

Miss Gail Pedersen, daughter of Mr. and Mrs. Irvin Pedersen, Lake Villa, and James Fields, son of Mrs. J. B. Fields of Antioch, were married Sept. 8 in St. Ignatius' Episcopal church. The Rev. Edmond Hood solemnized the marriage vows.

ANTIOCH WOMAN'S CLUB APPROVES BROADCAST ON COUNTY HEALTH PLAN

Mrs. Clarence Spiering, president of the Antioch Woman's Club entertained 14 board members for luncheon and a business meeting at her home on Monday afternoon.

The group approved of its president participating in a radio broadcast in behalf of the county health unit.

Mrs. Spiering later clarified the number of awards which 6 Garden Section members had won at Fox Lake recently. While all won blue ribbons, a total of 30 ribbons were received. She also stated that as the club had continued to enter contests, its number of awards per show had risen from 3 to 5 and on to 13 and finally 30.

Mrs. W. C. Petty asked for assistance in taking a canvass of voters for registration purposes and will announce more specific plans later. She also urged all to register as voters.

A project accepted in the club's community achievement work was that of making proper officials aware of the growing confusion in the township because of the frequent repetition of street names and also the lack of street signs in many areas. Confusing repeats listed were Linden Lanes, Lake Streets and Avenues, Highland Avenues, First and Second Streets and Circles Drives.

Mrs. Donald Francisco, Jr., reported that she and her committee will go to Downey Hospital this week to visit the ward which the club will serve in its rehabilitation work and Mrs. Joseph Patrovsky Jr. announced that the club books will go into the mail this week.

Women of Moose Initiate Candidate, See Playette

Women of the Moose held their initiation meeting at the Moose home Sept. 6, in which Mrs. John Gregurich, sponsored by Harriet Greve was inducted into the order. Sixty-eight members were present.

A playette entitled "Publicity" was presented by members of the publicity committee, May Palmer, Wanda Oftedahl, Estelle Fleider, and Bernice Kolar. They also served refreshments with the assistance of Eileen Kosar, Ruth Bertolasi, Jane Coddington, and Margaret Provincial. The next meeting will be held Sept. 27 instead of tonight.

125 ATTEND SUPPER OF A.T.H.S. BOARD MEMBERS AND TEACHING STAFF

An estimated 125 persons attended the annual potluck supper of the Antioch Township High School board and teaching staff and their families last evening.

Principal Albert Dittman introduced the new members and Kenneth Smouse conducted the community singing.

In charge of the event were Mrs. Arthur Anderson, Mrs. Robert Cary, Miss Kathleen Barkman, Miss Theresa Wehr, Mrs. Richard Seyfarth, Mrs. Richard Carucci and Mrs. Thomas Moorman.

Visits in Ireland

Tim O'Connell, an employee at the Reeves Drug store no doubt by this time is traveling the scenes of his boyhood days back in Cork, Ireland. He left by airplane Sunday for County Cork and expects to spend five or six weeks visiting two brothers and a sister and their families. It will be O'Connell's first trip back to "the auld sod" in 44 years. He left Ireland about 50 years ago.

METHODIST M.Y.F. PLANS PROGRAMS FOR GRADE AND HIGH SCHOOL STUDENTS

All youth who are not members of other churches in the community are invited to the first fall meetings of the Youth Fellowship at the Antioch Methodist church.

The Intermediate M.Y.F. will have a theater party at 7 p. m. Friday evening, Sept. 21, at the church. All seventh, eighth and ninth graders are invited to attend the program which will include games, refreshments, and a full length movie, "Swiss Family Robinson," followed by a "Mighty Mouse" cartoon. At the party all ninth graders will be honored, and seventh graders will be welcomed to the group. An admission fee will help defray the expense of the films.

The high school MYF will begin its fall program at 2 p. m. Sunday, Sept. 23 when the group will meet at the church, and leave for a picnic outing at Petrified Springs Park. Freshman members are to be especially welcomed. MYFers will bring hot dogs or hamburgers to cook, and the evening will be climaxed by a special worship service and "Sing" around the fire.

The Rev. Howard Benson announces that there are two services of worship on Sunday, the first service at 9:30 a. m., and the second service at 11 a. m. Church school for all ages (three year olds through adults) meets at 9:30 at the same time as the first service of worship.

Home From Eastern Trip

Mr. and Mrs. John Horan of Orchard st. and Mrs. Horan's mother, Mrs. Ida Osmond arrived home yesterday from a vacation motor trip which took them to Buffalo, Niagara Falls, Albany, N. Y., New York City, Baltimore and back by way of Indianapolis. With a few days of vacation left, Mr. and Mrs. Horan left immediately for points in Illinois to continue their sight seeking. Mrs. Osmond says the recent collapse of parts of Niagara Falls has destroyed some of the beauty it had when she saw it a number of years ago.

Bill Wilton, son of Mr. and Mrs. Robert Wilton of Antioch, left Monday for Peoria, where he will begin his sophomore year at Bradley College.

Schwab Enters Seminary

St. Nazianz, Wis.—Robert Schwab, son of Mr. and Mrs. Clarence Schwab of Antioch, Ill., began his first year in the Salvatorian Seminary here on Sept. 10, when classes for 1956-57 school year were resumed.

Paul Schroeder, son of Mr. and Mrs. Charles Schroeder, R. F. D. 1, began his Junior year at this seminary.

The seminary, conducted by the Society of the Divine Savior, which also has seminaries in Latham, Md., Blackwood, N. J., Red Dell, Calif., Sioux City, Iowa, Menominee, Mich., and Colfax, Iowa, will start the new year with an enrollment of 215 boys, the largest registration in its 60-year history.

Zella Larson, constitution and by-laws; Ann Heath, Auxiliary loan fund and education; Laura Paczkowski, national security. The finance committee consists of Maud Johnson, Anna Adams and Mary Rinyard.

Color bearers are Eva Gaylord and Addie Horton.

The next meeting of the Auxiliary will be on Sept. 28, at 8 p. m., being designated as Music Month; the Hymns of the Month as given out by the National Music committee are "This Is My Father's World" and "In Christ There Is No East or West."

Leonore McCord, daughter of Mr. and Mrs. Harold McCord of Lake Villa and Arlene Cribb, daughter of Mr. and Mrs. Harlo Cribb, left Sunday for Beloit, Wisconsin, where they will attend college.

Grass Lake P.T.A. Has Large Attendance At Opening Meeting

Grass Lake School's P.T.A. attendance was large on Monday evening as its new season opened with a program given by members of the Lake County Council of P.T.A. which were introduced by Mrs. Lester Kiepper of Waukegan, president.

Short informative talks were given by Henry Hakanen, Waukegan, head of high school service; Mrs. Paul Messenbrink, Libertyville, health chairman, and Mrs. Louise Deichman, Grayslake, in charge of public relations.

Special guests from Round Lake included Mr. Andrews who is the vice president of the Parent-Teacher-Student Association there and Mrs. Robert Legge, second vice president of the P.T.S.A. Mrs. Robert Lee, past president of the council also attended.

The problem of no bus service was taken up and George Pierce was named to head a committee to meet with the school board on Oct. 8. Others on the committee are George Horn, Thomas Spacek, Lester Hribar, Herbert Meyer and James Ferrier.

Mrs. George Davidson was appointed to head a committee to select a project for the year. Assisting her will be Mrs. William Goetz, Mrs. Wilbur Schaefer, Mrs. Charles Lindewirth, Robert Willrett and Michael Wojnowiak.

Mrs. Gerald Bryne and Mrs. Roy Frasier of the ways and means committee announced a bake sale to be held at the Ford Garage beginning at 9 a. m. on Saturday. The group voted to continue with the Horace Mann insurance and asked the school board to reconsider giving the P.T.A. use of the school's kitchen.

Gustav W. Puttin, 78, Venetian Village Dies, Funeral Held Monday

Gustav W. Puttin, 78, a resident of Venetian Village, Lake Villa, died at 10:30 a. m. last Friday at the Lake County General hospital following a long illness.

He was born January 1, 1878 in Germany and came to the United States in 1902, settling in Chicago. He lived there until nine years ago when he moved to Venetian Village.

Mr. Puttin was a plasterer's laborer by trade and was a member of Hod Carrier's Local No. 6 of Chicago.

Mrs. Rose Bassett, 83, Formerly of Antioch Dies at Danvers, Ill.

Mrs. Rose Bassett, 83, a former resident of Antioch, passed away at the home of her daughter-in-law, Mrs. Louise R. Bassett, at Danvers, Illinois, Sept. 15, after four months of illness.

Mrs. Bassett was born Sept. 23, 1873, in Minnesota, and came to Antioch in 1928, and for the past nine years had made her home in Danvers.

She was a member of the Antioch Methodist church, a charter member of Wilmot, Wisconsin chapter Order of the Eastern Star and was a past grand officer of the Grand chapter Order of the Eastern Star of Wisconsin.

Survivors are a son, Norton, of Mrs. Charles Butland, of Union Grove, Wis.

In the judging contest held in conjunction with the show, Norman Rule of Dodgeville, Wis., was the high scorer in the men, Mrs. James Ewell of Ringwood in the women's division, and Duncan Alexander in the junior division.

It was a show full of quality from end to end, and many of the entries had been made champions as the Illinois, Wisconsin, and Iowa state fairs. A similar event is planned for next year.

San Francisco, Calif., two grandchildren and four great-grandchildren. She was preceded in death by her husband, George in 1939 and a daughter, Mrs. Marion Morley in 1930.

Funeral services were held at 3 o'clock p. m. Wednesday at the Antioch Methodist church. The Rev. Howard Benson officiated. Interment was in Mound Prairie cemetery.

Miss May Hartley of Hayward, Ill., spent the week end in Antioch the guest of Misses Mary and Deedie Tiffany. Miss Hartley spent several years in Antioch teaching at the Antioch Township high school and is now teaching in the high school at Hayward.

Denied Driving Privileges

Frank D. Watkins, R.F.D. 4, Box 304, Antioch, is one of five drivers whose car driving privileges have been taken away because of his drunken driving. He is one of five Lake county men listed with this penalty by Secretary of State Chas. F. Carpentier.

Licenses of eight Lake county drivers were revoked for the same cause, and the driver's license of three others were suspended because of three offenses or contributing to an accident. The latter was Grace G. Tresler of Duck Lake Woods, Ingleside.

OPEN FRIDAY EVENINGS — CLOSED WEDNESDAYS

Millburn

Mrs. Frank Edwards, Correspondent
Phone Eliot 6-3323

Regular services at Millburn Congregational church Sept. 23 include Sunday school at 9:30 a. m. and the two church services at 9:30 a. m. and 11 a. m.

Baptismal services for Carl Alan, son of Mr. and Mrs. Russell Myers were held at the 11 o'clock service. Sponsors were Mrs. Betty Anderson and Mr. Lee Thulin.

The Study Group met last Thursday morning at the home of Mr. Bert Doolittle. The next meeting will be held Sept. 27 at the home of Mrs. Carl Anderson.

Funeral services for Mrs. O. L. Hollenbeck were held Monday afternoon at the Strang Funeral home in Antioch. The Rev. L. H. Messersmith officiated. Interment was made in Hickory Union cemetery.

Mr. and Mrs. William Heintz and Mrs. Dick Blink of Lansing, Ill., spent Saturday at the Frank Edwards home.

Mrs. Frank Hauser spent Thursday with her daughter, Mrs. Orville Hairrell in Waukegan.

Mrs. Linda Goble and William Harris of Franklin Park were guests at the Kenneth Young home Sunday.

Mary Susan, daughter of Mr. and Mrs. William Paulsen, entertained nine of her school friends last Thursday afternoon in honor of her eighth birthday.

Arthur Myers of Harvard spent Saturday and Sunday with his son and family, Mr. and Mrs. Harold Myers.

Edward Hoffman and Frank Edwards called on Ed. Druce at Wooster Lake Friday.

Mr. and Mrs. Harmon Hollenbeck and daughter of Phoenix, Ariz., and Mr. and Mrs. Frazier Hollenbeck of Baltimore, Md., were called here by the death of her mother, Mrs. O. L. Hollenbeck.

Mr. and Mrs. Harold Yukel of Oak Lawn spent Thursday evening at the Charles Lucas home.

David Bennett of Curtis, Wis., spent Sunday at the Edward Hoffman home.

Mr. and Mrs. Marvin Nelson of Sheridan, Ill., Mr. and Mrs. Lyman Thain left Sunday on a two weeks trip to Washington, D. C.

Mr. and Mrs. George Butler returned home Wednesday after spending their vacation at Las

Cruses, New Mexico, and in Mexico.

Mr. and Mrs. John Edwards and children and Miss Marian Edwards of Libertyville were dinner guests at the Frank Edwards home Sunday.

Mr. and Mrs. William Paulsen and family spent Sunday with the latter's sister and family, Mr. and Mrs. Clifford Jahn at Batavia, Ill.

Forty ladies attended the "Get Acquainted" party sponsored by the Ladies' Aid. Mrs. Carl Anderson gave the history of the Aid, which was organized 111 years ago. Randy DeHaan of Waukegan gave a tap dance and Mrs. Harry Steinspring

gave a book review of Papa's Wife." Refreshments were served.

W. C. Upton attended a three day meeting of United Churchmen at Cleveland, Ohio. This was the first gathering of such men. It is expected this will result in a National organization working through National Council of Churches.

Mr. and Mrs. Charles Lucas and Mrs. Addie Lucas were dinner guests at the home of Mr. and Mrs. Charles Hofbour at Elmhurst, Sunday.

Rev. and Mrs. L. H. Messersmith attended installation service for the Rev. Arthur Koch of the Mundelein

Congregational church, Sunday evening.

Ford tandem axle BIG JOBS are rated to carry more payload than comparable tandems of any of the leading manufacturers. T-800 model has max. GVW of 45,000 lb.—GCW is 65,000 lb.

Ford's F-600 Custom panel is one of the top load carriers in its class. It provides 155.8 cu. ft. of cargo space in a smooth, fully lined interior and hauls up to 1,535 lb. of payload.

The hardest-working, biggest-saving "two-tonner" of them all is the Ford V-8. Only Ford offers a Short Stroke Six and three Short Stroke V-8's in this field. Max. GVW is 19,500 lb.

FOR BIG JOBS . . . SMALL JOBS . . . ALL JOBS

Ford Trucks cost less

Ford's F-100 pickup with 8-ft. box is the biggest in the half-ton field—up to 19 cu. ft. more loadspace than the others. Regular 4 1/2-ft. box with a full 45 cu. ft. capacity also available.

COME IN
TODAY!

And low first cost
is only your first saving

• Before you buy your next truck, look at both sides of Ford's story of value. Check what you get and what it costs. You'll like what you see.

Look at the costs. Ford's first cost is low. Resale value is high. Modern Short Stroke engines—V-8 or Six—are designed for less friction, less wear, lower running costs. Maintenance costs are lower, too, because Ford trucks are built stronger for rugged long life. And a 10-million truck study proves Ford trucks last longer.

Look at what you get and you'll see you get more in a Ford. For example, more horsepower per dollar—proved by a comparison of factory-suggested list prices and net horsepower of all truck lines. You get more comfort and safety in Ford's Driverized Cab with exclusive Lifeguard features.

Look carefully . . . consider everything. You'll agree Ford trucks cost less, give you more. If you want a great deal—a great deal more for your money—see your Ford Dealer.

FORD TRUCKS LAST LONGER

Using latest registration data on 10,502,351 trucks, insurance experts prove Ford trucks last up to 9.9% longer.

Curtis Ames, 8 year old son of Mr. and Mrs. Rod Ames, is a patient at St. Therese hospital, Waukegan, since Friday when he suffered a third degree burn on his left leg and burns on his left hand in an accident in the yard at his home.

Mrs. Belle Pedersen of Waukegan and her son-in-law and daughter, Mr. and Mrs. Wm. Satovich from Yucaipa, Calif., were Monday evening visitors at the William Strahan home.

The Mother's Club held its first meeting this school year at the school house Tuesday evening, Sept. 11. Election of officers was held. President, Mrs. M. E. Van Patten; vice-president, Mrs. Robert Willis; secretary, Mrs. Earl Moeller; treasurer, Mrs. C. White. Ten members were present. Mrs. White and Mrs. Van Patten were the hostesses.

David Bennett of Curtis, Wis., was a supper guest at the home of

Mr. and Mrs. Wm. Strahan Sunday evening.

Mr. and Mrs. Oscar Finkel and son, Gordon, attended the Cub Scout Round-up at Camp O-Kar-Ro on Sunday afternoon.

Spencer Wells of Trevor was a Sunday afternoon and supper guest at the Gordon Wells home.

David Bennett of Curtis, Wis., called on Mr. and Mrs. Harrie Tilton Monday morning.

Bob Finkel left home Monday for college at Champaign, Ill.

The many friends and old neighbors of Mrs. O. L. Holenbeck called at Strang Funeral home, Antioch, and attended funeral services for her on Monday afternoon. She was buried in Hickory Union cemetery. She lived 58 of her 80 years at Hickory Corners.

Lt. and Mrs. Russell E. Hunter and children of Great Lakes spent Sunday afternoon and evening at the M. E. Van Patten and Wm. Gerber homes. They celebrated their son, Jimmie Hunter's ninth birthday on Sept. 17 with birthday cake and ice cream for the families Sunday evening.

Lost Weekends
In Adelaide, Australia, to save farmers the trouble of milking seven days a week, Governor Sir Willoughby Norrie suggested that they investigate the possibility of hormone treatments, discover a way to keep cows from giving milk on weekends.

Health Talk

Time to Hunt—Play It Safely

The approaching hunting season is planned for eagerly by the enthusiasts of this sport. Guns are polished, supplies are checked, and good hunting areas explored. But before the season ends, many homes will be marked by accident, and perhaps death, because of carelessness, the Educational Committee of the Illinois State Medical Society observes in "Health Talk."

One type of accident occurs in the duck blind where the hunters stalk their prey. Because of careless seating arrangement, a companion will be shot. Each hunter should have a front position with a clear unobscured view to obviate the danger of accidents.

Hunting attire is the cause of some accidents. The color of the outer jacket should be such that it contrasts sharply with the color of the tree and brush foliage and that of lurking game. Overlooking this, numerous persons have been injured or killed because they have been mistakenly shot as the object of prey.

A gun is a dangerous, but necessary, piece of equipment in hunting. Yet many persons forget the safety precautions so vital to handling a gun. For example, a loaded gun should never be carried in an automobile. The gun should be unloaded and placed on the floor of the car.

The safety device is a mechanism intended to protect the hunter from careless handling. It should always be locked when the gun is actually not in play.

Some persons walk along with a finger on the trigger, forgetting that a stumble or a fall could result in the accidental discharge of a shell. Feet have been maimed and companions have been injured and even killed through this careless factor. Irreparable damage has been incurred by looking into a loaded gun barrel. Should the gun slip out of the hands, or the trigger be released accidentally, severe damage would ensue. Climbing over a fence with a loaded gun is also dangerous. A person should first slip the gun

under the fence, if possible, to obviate any accidental discharge.

When walking along a narrow trail, the gun should always be held with the barrel pointing well above the head. The gun should never be carried by the barrel or in such a way that it could accidentally, through a fall or bumping, be deflected against the body, permitting the discharge of a shell.

Another hazard of the hunting season is tularemia, popularly called rabbit fever. Ordinarily healthy rabbits are nimble and fleet footed. They jump and move quickly.

Hunters should avoid the sluggish and slow moving rabbits, for these can be assumed to be infected with tularemia. And the person who acquires tularemia is extremely sick. The lymph glands become inflamed. The victim has chills, a severe headache as well as other pains together with a very high temperature. So to you enthusiasts of this outdoor sport—a happy hunting season. By heeding these admonitions of caution, it will be safe and healthy too.

It's Bonanza time at Buick Dealers!

—And Smart Folks
are buying Now

(You get a triple Bonanza in today's Buick)

THERE NEVER WAS a better time to start enjoying a gorgeous new Buick.

Take today's '56 Buick prices. They're not much higher than those of the smaller cars. Frankly, who can tell if they'll ever be as low again?

Take trade-in allowances. It's a fact that a volume dealer can afford to give you the benefit of any doubt. It's another fact that the beautiful '56 Buick is more strongly than ever in America's top three best sellers. You can draw your own conclusions.

Take the season of the year. Ask yourself—isn't it time to turn your present car out to pasture before its excellent

value today goes down, down, down?

Above all, consider all you get in a big, roomy, solidly built '56 Buick. The pride of being years ahead, today. Advanced styling, advanced power, advanced ride, advanced everything. And best of all, you get wonderful new advanced Variable Pitch Dynaflo*—with a double helping of take-off and a sweet new kind of control.

So doesn't it all add up to a real bonanza of value? Drop in and we'll prove it does. And hurry—the sooner, the smarter!

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

Bonanza Trade-in Allowance

—because your present car is at its peak value right now. And because—with Buick so solidly set as America's No. 3 Best Seller—our bigger sales volume permits us to make you an even better trade-in allowance.

Bonanza Buy

Buick prices start right next to those of the smaller cars. But those Buick dollars buy you a whale of a lot more automobile—more room, more power, more styling, more ride stability, more solidity of structure—the Best Buick Yet.

Bonanza Resale

A Buick always resells high. But the '56 Buick will bring you even more money when you trade it because it carries today's new Variable Pitch Dynaflo.* It's the most advanced transmission yet developed—and the only one that breaks with the past to bring you the switch-pitch performance and gas savings of the modern plane's variable pitch propellers.

It's a
great time
to buy a

Buick

P.S. We have some especially good buys right now on the high-powered CENTURY and the extra-spacious SUPER. Better see 'em real soon!

Champion Lady Bowler To Bowl on Sept. 30 At Antioch Recreation

Antioch has some good bowlers among her women, but they all can take lessons when Sylvia Wene, 1955 ladies match game bowling champion makes her special appearance at 7:30 p.m. Saturday, Sept. 30 at the Antioch Recreation.

She will bowl a three-game exhibition series and give personal free instructions afterwards.

Carl Gibson, manager, has arranged for one woman from each of the three women's leagues to bowl one game in competition with her.

Gibson is inviting the public to this fall bowling party.

Health Dept. Needed....

of the Antioch News, offered to co-operate with the school in sponsoring the annual Halloween program and the offer was accepted. Supt. Richard Whitacre announced that the seventh and eighth grades would have their own party instead of participating in the all-school party.

Appointed to work with the teachers committee were Mrs. Donald Francisco, Jr., Mrs. Ray Bruhn and Mrs. Bernard Thompson.

The professional dance revue which the executive board scheduled for Oct. 20 was approved by the organization and it was voted to use some of the money which the board collected from advertising on the dance program for the purchase of four phonographs for classroom use. Mrs. Robert Avery and Mrs. Donna Barhyte were appointed to take care of the matter.

Following the meeting, refreshments were served in the cafeteria by the eighth grade room mothers, Mrs. Harry Arndt and Mrs. Jesse Close assisted by Mrs. Leo Kiesler, Mrs. Wendell Nelson and Mrs. Knute Lassen.

The next meeting of the P.T.A. will be held at 8 p. m., Monday, Oct. 15.

Antioch Beats Wilmot....

(continued from page 1)

moved into Antioch territory on Irv. Partenheim's 3-yard run, and after working the ball to the two-yard line scored on Dick Timmer's quarterback sneak. Timmed missed the point after touchdown.

Wilmot held the lead until the fourth quarter when Antioch took to the air and her passes began clicking.

Earl Deppe passed to Jerry Huml for gains of 25 and 10 yards, and then tossed to Lonnie Christiansen for 25 yards which carried the ball to the 3-yard line. On a quarterback sneak Deppe carried the ball over. The extra point was missed and it was a new ball game.

A few moments later Antioch recovered a Wilmot fumble on her own 48-yard line and with a minute and 16 seconds left the Sequoits took to the air for her winning touchdown. George Lystlund at quarterback snapped two to Huml for 10 and 8 yard gains, and then Deppe went in and threw a pass to Christiansen for 25 yards and the touchdown.

Coach Frank Bucco was pleased with the rushing of his men but said the fumbles and poor handling of passes kept the Panthers from what he thought would be a victory.

Coach Paul Kessenich said he was pleased with the comeback qualities shown by his team and the aerial offense.

The statistics according to Kessenich were:

	Wilmot	Antioch
First downs	10	10
Rushing	8	3
Passing	2	7
Total Net. Rush.	162	89
Total Passing	28	153
Total gained	190	242

Deppe completed 7 passes of 11 attempts for 135 yards; Lystlund 2 of 5 for 18 yards. Huml caught four passes for 53 yds.; Parker 2 for 14 yds.; Christiansen 2 for 50 yds.; and Barnstable 1 for 38 yards. On the ground Srch, Christiansen, and Barnstable averaged 3 yards a try.

vast improvement. Hohm said the company is outgrowing its present facilities in Antioch and is considering a new site with its opportunity for expanding services.

Several years ago officials said that Antioch is on the list for dial service, but when it will come is not known. The community is excellently served at present through the manual system.

Lake Villa Also Affected

Lake Villa is also in line for improved service. One block of underground conduits will be laid on Grand ave. and an additional cable installed west to the Fox Lake Hills area where there has been much new business because of new additions.

What the company is doing in Antioch and Lake Villa townships it is also doing in the Libertyville, Mundelein, and Lake Zurich areas.

Anticipating a continued growth of Lake county, the company is trying to keep pace in services.

Open House Sunday.....

(continued from page 1)
this open house. Refreshments will be served in the church hall.

Fr. Henderson also announces that a Cana Conference will be held at St. Peter's on October 7th from 1 p. m. to 6 p. m.

A Cana Conference is a gathering of husbands and wives for the purpose of helping them to find in marriage the satisfaction and joy that God intended. It is not a retreat nor is it a study club or panel discussion. Perhaps its unique characteristic is that it is "couple-centered." It deals with the important things that concern couples in their physical, psychological, and spiritual union. It deals with the Sacrament they are living and its influence on their daily lives, Fr. Henderson explains.

A Cana Conference is led by a priest-conductor who has special training in this field. Apart from his training, his invaluable experience in counseling hundreds of married and engaged couples has been supplemented by frequent forum studies with lay and professional authorities—men and women specializing in various phases of social activity. Doctors, theologians, sociologists, married couples—all have made their contribution to Cana. It is from this rich storehouse that couples draw when they attend a Cana Conference.

Happily married couples from all walks of life make Cana Conferences. Three conferences and a live-

ly discussion period make up a Cana program. The atmosphere is informal. Smoking is permitted. Between conferences couples may wander off by themselves and relate the priest-conductor's observations to their own lives.

Refreshments will be served, new friends are met. Questions are unlimited—that's one of the secrets of Cana's success. Husbands and wives declare that the renewal of their marriage vows at a Cana Conference is the ideal climax of an unusual day in their lives. Cana is for all married couples, no matter what their creed.

Lakeside Council Girl Scouts To Hold Meeting at Lake Villa

Adult members of the Lakeside Girl Scout Council will hold their first Council meeting at 8 p. m. Monday at the Lake Villa Grade school.

Several important issues will be decided upon, including certain revisions in the by-laws, so it is important that all leaders, co-leaders, committee members, and Council officers attend.

There will also be an informative movie entitled "Adventure in the Arts" which would be of particular interest to every leader and co-leader.

Fire did \$200 damage to the automobile of Joseph DeStephano yesterday at 33 Prospect St., at Channel Lake Bluff before the blaze was extinguished by the Antioch fire department. The blaze is believed to have started from faulty wiring.
